

WALKER'S POINT CENTER FOR THE ARTS SUMMER ART CAMP 2018!

June 19 - August 10 | 8 Weeks | Ages 6-12 | 1-5 PM
Register: wpca-milwaukee.org/summer-art-camp/

WEEK 1 JUNE 19-22

Drawing Week

Explore the world through drawing. We will cover the fundamentals of drawing. Learn perspective, composition, value, and the importance of observing the surrounding world! \$40 - 53204 residents, \$80-WPCA members, \$125 - Non-53204 residents/Non-members

WEEK 2 JUNE 26-29

Filmmaking Adventures Week

Express your own creative voice through multimedia storytelling as we make objects come to life by using stop-motion, claymation, and hand-drawn animation. \$40 - 53204 residents, \$80-WPCA members, \$125 - Non-53204 residents/Non-members

WEEK 3 JULY 5-6

Textile Week

Storytelling through embroidery/textile collaging! Learn the historical and contemporary use of the fiber arts. \$20 - 53204 residents, \$40-WPCA members, \$80 - Non-53204 residents/Non-members

WEEK 4 JULY 10-13

Maskmaking Week

We will travel the world and dive into the history and art of mask making. We will create masks using different materials while exploring wonderful connections between us. \$40 - 53204 residents, \$80-WPCA members, \$125 - Non-53204 residents/Non-members

WEEK 5 JULY 17-20

Theater Week

We will unlock creativity as we take an adventure into the imagination! Students will write, rehearse, and perform an original story! This student-created performance will take place at 6pm during our Youth Art Show Exhibit's opening reception on July 20th. \$40 - 53204 residents, \$80-WPCA members, \$125 - Non-53204 residents/Non-members

WEEK 6 JULY 23-28

Lynden Sculpture Garden Week

Students will work with Reggie Wilson/Fist and Heel Performance Group for a rendition of "Citizen" (2016), questioning what it means to belong and to not want to belong. This week we will merge nature, art, and movement as our youth learn choreography, create their costumes, and join the final outdoors performance on Saturday, July 28th. \$40 - 53204 residents, \$160-WPCA members, \$250 - Non-53204 residents/Non-members

WEEK 7 JULY 31-AUGUST 3

Sensory Week/ASMR Week

Slime, cooking, and music, what do these have in common? They allow us to explore our senses! Each day will focus on a different sense and will look at how each person may perceive the same object through different perspectives. \$40 - 53204 residents, \$80-WPCA members, \$125 - Non-53204 residents/Non-members

WEEK 8 AUGUST 7-10

STEAM Week

Building bridges between areas of study! We will look at how the Arts are taking a center stage within STEAM (Science, Technology, Engineering, ART, and Mathematics) and will conduct several artistic experiments utilizing the scientific method. \$40 - 53204 residents, \$80-WPCA members, \$125 - Non-53204 residents/Non-members
