

Directions for Entry

Entry & Agreement Forms

These forms must be completed and include information in all requested fields. PLEASE PRINT CLEARLY, we rely on your information being legible and accurate in order to prevent errors.

Ready to Hang/Install

All work must be complete and prepared for gallery viewing. 2-D work should be fumed (if applicable) and equipped with hanging wire of sufficient strength to safely support the work. If the work requires special installation, we require additional instruction from the artist and encourage the artist to be present during installation. Any incomplete entries (e.g. no hanging wire, wet paint) will not be accepted.

Sales/Pricing Work

WPCA retains a 20% commission on all sales. Please price your work accordingly. If your work is not for sale, please write "NFS" (not for sale) in the "Value/Price" section of the entry form and list the value of the work. The value must be provided for insurance purposes.

Dropping Off Work

Work must be dropped off during the dates and times listed in the "Exhibition Calendar" section. Because of the substantial amount of submissions for this exhibition, late entries will not be accepted. If you are unable to drop-off your

work during the times listed, please contact Membership Coordinator, Mary Overman at maryo@wpca-milwaukee.org or call 414.672.2787 x13. Any special arrangements for pick-up or delivery must be scheduled in advance.

Membership/Fees

There is no entry fee for this exhibition, but artists must be current WPCA members to exhibit. If you are not a member, visit our website for more information: www.wpca-milwaukee.org. Memberships start at \$25 and offer an array of benefits throughout the year. Forms are available for download and may be mailed to WPCA, or donations may be made online through PayPal.
